

121. Crimson Tide (1995)

“Now, I’m going give you a tiny bit of advice. If you want your own boat someday, the very worst thing you can do is worry about yourself or try to impress me. I can’t stand save-a&%es and I won’t abide kiss-a\$#es. You keep your priorities straight, your mission, and your men... How do you like that cigar?”

(Gene Hackman)
